LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

BOARD'S REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2024

The board members present their annual report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with current statutory requirements, the requirements of the Rules and provisions of the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The Society was formed for the benefit of the community with a mission to develop new, genuinely affordable community-led housing and improve existing neighbourhoods – in order to generate social, economic and environmental benefit for the local residents of the Leathermarket JMB estates.

The primary objectives of the CBS are:

- To build high quality and genuinely affordable homes for rent;
- To democratically develop buildings and public spaces the local community are proud of;
- To build energy efficient homes that reduce energy poverty;
- To ensure the new homes are available for local people in housing need; and
- To empower incoming residents to participate in the design of their homes

The long-term ambition of the CBS is to maximise the delivery of a programme of new genuinely affordable community-led housing on the Leathermarket JMB estates through strong, mutually constructive partnerships with Southwark Council and the GLA. The success of the delivery of CBS' first two housing schemes, including the delivery of community facilities, have demonstrated the CBS' ability to unlock challenging development sites to deliver high quality homes and community facilities. The CBS plans to continue working collaboratively with Southwark to deliver CBS's Rolling Programme of new community-led homes over the next six years, to help the Council reach its target of 11,000 new affordable homes in the borough by 2043.

LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

BOARD'S REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

Achievements and performance

Since the completion of the CBS's first 27 homes at Marklake Court in 2018, we have built on the many strengths of our community-led housing model and have seen considerable enthusiasm for moving forward with an expanded delivery programme of local, social-rent homes and associated community facilities.

The second CBS development, on the former Joseph Lancaster nursery building on the Lawson Estate, delivered 40 social rent homes - 6 mews houses and 34 flats, as well as new communal garden and play space for children - which completed in May 2022. It is a significant achievement that 100% of the new homes at Joseph Lancaster were let at social rent levels, as was the case with the first CBS development at Marklake Court. Delivery of these homes and community facilities have been made possible by support and funding from Southwark Council and the Greater London Authority (GLA).

The third CBS scheme proposal, to provide 34 new Council homes, a new fit-for-purpose outdoor ball court, children's play space and a community garden, with improved landscaping across the Elim Estate, reflects over three years of consultations with Elim Estate residents. Full planning permission was granted on 4th June 2024.

Design and feasibility work concluded in 2022 for a fourth development scheme proposal, on the site of the existing JMB office at 26 Leathermarket Street, to deliver 26 new Council homes to be built above the re-provision of office and community space for Leathermarket JMB on the ground floor. The planning application has been submitted and is expected to be considered by Southwark's planning committee in July 2024.

In order to ensure a coordinated approach between improving our local estates and building new homes, to be let at Council rent levels, the CBS continues to work on the priorities set out in its 2018 Estate Improvement Plan, which reflects feedback from over 600 local residents.

As is clear from these achievements, the board have worked with both focus and diligence on an expanding rolling programme of community-led development. The resident directors bring a wealth of local knowledge and commitment and are grateful to the external co-opted directors for their expertise and advice. Other than the JMB nominee on the CBS board (funded by JMB), all of the directors are unpaid.

Financial review

It is important to offer an explanation of the audited accounts. Although the CBS is shown as having reserves of £9,160,019 at 31 March 2024, this amount includes £9,160,019 spent on construction costs and associated professional fees for the new homes at Marklake Court. Although £9,160,019 is actually an amount incurred, because the new homes are an asset for the CBS this amount is deemed to be 'land and buildings', and therefore is recorded as an asset in the accounts.

The accounts also make a distinction between project and client funds. Project funds are grant given by either Southwark council or the GLA and can only be spent on costs directly relating to the delivery of affordable new homes. Within the £9,160,019 reserves are £9,160,019 project funds which have been spent on costs directly relating to the new homes at Marklake Court. The balance of any grants regarding the Joseph Lancaster, JMB Office and Elim Projects are shown as deferred grants in creditors.

LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

BOARD'S REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

The CBS operates a robust risk management process designed to identify, evaluate and manage risks. A project team has been employed to support the CBS in this, particularly in relation to development risk, given that development is a primary function of the CBS work. The CBS also draws on the extensive knowledge of the Leathermarket JMB in relation to asset management, under its support agreement.

Risks are categorised as internal (CBS controlled) and external (market controlled). The key steps of the CBS risk management strategy are:

1. Risk Identification
2. Risk Analysis
3. Risk Allocation
4. Risk Monitoring and Action Planning

The highest-ranking risks are reviewed on a regular basis, both at Board level for key business risks, and project level for development risks. Particular focus is given to establishing management strategies to reduce risk, and ensuring clarity of mitigation actions ownership.

The largest risk facing the CBS is the impact of the volatility of the market and unprecedented levels of construction inflation on delivery of the CBS programme. This is being closely monitored by the CBS team and costs plan estimates are updated by a qualified Quantity Surveyor on a regular basis. Given the stages of the CBS projects, this is currently not adversely affecting the progress of the organisation's ongoing projects.

Structure, governance and management

The CBS is a company limited by guarantee and is registered under the Co-operative and Community Benefit Societies Act 2014. Each individual member must hold a share of £1 each.

The board members, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mrs S Hatchard

Mr P C Munday (Treasurer/Co Chair)

Mr A N Bates (Retired 15 December 2023)

Miss J Vignola (Resigned Co Chair)

Mr J P Lynch (Retired 11 June 2024)

Mr D Hawkins

Mr L McGrath (Appointed Co Chair)

Mr M Yates

Ms K Farrant

Ms M Pamic (Secretary)

Ms H Iqbal

Ms R Onyeche Abo

Mr R Raudins

Each board member is elected for a fixed term of office expiring at the conclusion of an annual general meeting. The fixed term shall be for a term of three annual general meetings unless the board has set a lower number of annual general meetings for the relevant board member on their election. No fixed term shall be set which would cause the relevant resident board member to serve beyond their ninth consecutive annual general meeting.

LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

BOARD'S REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

CBS Board

The CBS Board Directors provide overarching strategic direction for the society – directing, controlling and evaluating CBS's affairs. Effective oversight of CBS's activities requires continuity of local knowledge from committed resident Directors, complemented by input from experienced co-opted Directors and member of the JMB.

The CBS Board is currently comprised of nine democratically elected residents, two co-opted directors, selected for their relevant knowledge and expertise, and one representative from the JMB. An ongoing challenge is ensuring that all residents, regardless of background and experience, feel confident coming forward to become CBS Directors, and can effectively represent the views of CBS members. This means supporting incoming Directors to develop the values, knowledge and skills to help achieve CBS's objectives. CBS has previously organised programmes of online courses, internal workshops, and Away Day training to support and empower Directors, which are ongoing.

CBS Client team

The CBS has an established and strong client team, with the right skills and expertise to progress delivery of the CBS rolling programme. The team is headed by a Programme Director, who has extensive experience of leading the delivery of affordable housing programmes; an experienced Senior Project Manager to provide development management expertise on new schemes, a Community & Communication Manager to work with Leathermarket residents and the JMB during consultations; and a Finance Officer to provide internal financial expertise. The CBS client team is funded through rental income from Marklake Court and Joseph Lancaster, as agreed under the Project Grant Agreement for each CBS development.

The direct staffing cost was £187,828 spent on wages, national insurance and pension contributions of the CBS officers.

Auditor

In accordance with the company's articles, a resolution proposing that Sumer Auditco Limited be reappointed as auditor of the company will be put at a General Meeting.

Disclosure of information to auditor

Each of the board members has confirmed that there is no information of which they are aware which is relevant to the audit, but of which the auditor is unaware. They have further confirmed that they have taken appropriate steps to identify such relevant information and to establish that the auditor is aware of such information.

The board's report was approved by the Board of Board Members.

Mr P C Munday (Treasurer/Co Chair)

15 August 2024

LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

STATEMENT OF BOARD'S RESPONSIBILITIES

FOR THE YEAR ENDED 31 MARCH 2024

The board members, who are also board members of Leathermarket Community Benefit Society Limited for the purpose of company law, are responsible for preparing the Board's Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the board members to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the CBS and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the board members are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the CBS will continue in operation.

The board members are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the CBS and enable them to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014. They are also responsible for safeguarding the assets of the CBS and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

Opinion

We have audited the financial statements of Leathermarket Community Benefit Society Limited (the 'CBS') for the year ended 31 March 2024 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice) and the requirements of the rules and provisions of the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

In our opinion, the financial statements:

- give a true and fair view of the state of the organisation's affairs as at 31 March 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of chapter 1-5 of section 87 of the Co-Operative and Community Benefits Societies Act 2014., and the requirements of the rules and provisions of the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the CBS in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the board's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the CBS's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the board members with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The board members are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

Opinions on other matters prescribed by the Community and Benefits Societies Act 2014.

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the board's report for the financial year for which the financial statements are prepared, which includes the board's report prepared for the purposes of company law, is consistent with the financial statements; and
- the board's report included within the board's report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the CBS and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the board's report.

We have nothing to report in respect of the following matters in relation to which the Co-Operative and Community Benefits Societies Act 2014 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of board members' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the board members were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the board's report and from the requirement to prepare a strategic report.

Responsibilities of board members

As explained more fully in the statement of board's responsibilities, the board members, who are also the directors of the CBS for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the board members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the board members are responsible for assessing the CBS's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board members either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud is detailed below.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

Based on our understanding of the organisation and industry, and through discussion with the directors and other management (as required by auditing standards), we identified that the principal risks of non-compliance with laws and regulations related to health and safety, anti-bribery and employment law. We considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Co-operative and Community Benefit Societies Act 2014, the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019), taxation and pension legislation. We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to posting inappropriate journal entries to increase revenue or reduce expenditure. Audit procedures performed by the engagement team included:

- Discussions with management and assessment of known or suspected instances of non-compliance with laws and regulations (including health and safety) and fraud, and review of the reports made by management;
- Assessment of identified fraud risk factors;
- Conducting interviews with appropriate personnel to gain further insight into the control systems implemented, and the risk of irregularity;
- Testing of internal controls procedures relating to expenditure potentially more susceptible to fraud and other irregularities including cash and payroll;
- Challenging assumptions and judgements made by management in its significant accounting estimates;
- Performing analytical procedures to identify any unusual or unexpected relationships, including related party transactions, that may indicate risks of material misstatement due to fraud;
- Confirmation of related parties with management, and review of transactions throughout the period to identify any previously undisclosed transactions with related parties outside the normal course of business;
- Reading minutes of meetings of those charged with governance and reviewing correspondence with relevant tax and regulatory authorities;
- Review of significant and unusual transactions and evaluation of the underlying financial rationale supporting the transactions; and
- Identifying and testing journal entries, in particular any manual entries made at the year end for financial statement preparation.

LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but, except to the extent otherwise explicitly stated in our report, not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee
- Conclude on the appropriateness of the committees use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our procedures to respond to the risks identified included the following:

- Reviewing the financial statement disclosures and testing to supporting documentation.
- Enquiring of management concerning any actual or potential litigation or claims.
- Reviewing minutes of meetings of those charged with governance and correspondence with HMRC.
- Reviewed records since the end of the period to ensure the completeness of income and expenditure.
- In assessment of the risk of fraud through management override of controls, we have tested the appropriateness of journal entries, assessed whether the judgements made in the organisation making accounting estimates are indicative of a potential management bias and evaluated the business rationale of any significant transactions that are outside the normal course of business.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

This report is made solely to the organisation's members, as a body, in accordance with chapter 1 - 5 of section 87 of the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the organisation's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the organisation and the organisation's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Organisation information

Leathermarket Community Benefit Society Limited is an organisation registered under the Co-operative and Community Benefit Societies Act 2014, with exempt charitable status, and is incorporated in England and Wales. The registered office is 26 Leathermarket Street, London, SE1 3HN. The nature of the society's operations and principal activity is to operate a Community Right to Build Body primarily in the Leathermarket area in the London Borough of Southwark.

1.1 Accounting convention

The financial statements have been prepared in accordance with the CBS's governing documents, the Co-operative and Community Benefit Societies Act 2014, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The CBS is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the CBS. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

The financial statements have been prepared on a going concern basis as the Board believe that no material uncertainties exist. The Board have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Society to be able to continue as a going concern.

1.3 Funds

Unrestricted funds are available for use at the discretion of the Board in furtherance of the general objectives of the society and which have been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Society for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

1.4 Income

Income is recognised when the CBS is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

All incoming resources are included in the Statement of Financial Activities (SoFA) when the society is legally entitled to the income and the amount can be quantified with reasonable accuracy. Performance related grants are recognised as the project delivery is confirmed.

1.5 Expenditure

All expenditure (including) VAT is accounted for on an accruals basis and has been classified under headings and aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies (Continued)

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	Not Depreciated
-----------------------------	-----------------

Freehold land and assets in the course of construction are not depreciated.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

A subsidiary is an entity controlled by the CBS. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

1.8 Impairment of fixed assets

At each reporting end date, the CBS reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.10 Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

LEATHERMARKET COMMUNITY BENEFIT SOCIETY LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the CBS's contractual obligations expire or are discharged or cancelled.

1.11 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the CBS is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.12 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.13 Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

2 Critical accounting estimates and judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

9 Taxation

Leathermarket Community Benefit Society Limited is a registered society under the Co-operative and Community Benefits Societies Act 2014 with exempt charitable status, so it is not liable for corporation tax on its main activity.

10 Tangible fixed assets

	Freehold land and buildings £
Cost	
At 1 April 2023	9,160,019
At 31 March 2024	9,160,019
Carrying amount	
At 31 March 2024	9,160,019
At 31 March 2023	9,160,019

It is important to offer an explanation of the audited accounts. Although the CBS is shown as having reserves of £9,160,019 at 31 March 2024, this amount includes £9,160,019 spent on construction costs and associated professional fees for the new homes at Marklake Court. although £9,160,019 is actually an amount financed, because the new homes are an asset for the CBS this amount is therefore recorded as an asset in the accounts.

11 Debtors

	2024 £	2023 £
Amounts falling due within one year:		
Trade debtors	192,184	141,608
Other debtors	581	579

16 Related party transactions

(Continued)

An individual of the board of Leathermarket Community Benefit Society (CBS) is also a member of Leathermarket Joint Management Board (JMB). The JMB is Southwark's largest resident managed housing organisation, managing 1,500 homes on the Leathermarket estate.

During the year JMB recharged £116,093 (2023: £89,692) to the CBS for operating costs.

During the year CBS recharged £570,023 (2023: £450,272) to the JMB for the rent of Marklake Court and Joseph Lancaster House. As this relates to amounts collected by the JMB on behalf of the CBS it has not been deemed a related party transaction.

The company owns 100% of the issued share capital of Leathermarket Community Housing Limited (LCH). The LCH is responsible for project managing development of residential housing on the Leathermarket and other estates.

During the year LCH recharged £6,788 (2023: £10,062) to the CBS for management costs.

During the year LCH recharged £136,725 (2023: £688,304) to the CBS for capital expenses related to the planning, development and construction costs of the Joseph Lancaster, Elim and JMB office projects.

During the year CBS recharged £736 (2023: £3,278) to the LCH for administrative costs.

As at the year end date CBS owed to LCH the sum of £139,651 (2023 : £94,347) on an unsecured interest free basis, repayable on demand.

17 Cash generated from operations

	2024	2023
	£	£

Deficit for the year	-	-
